

## Church and Parish Organiser Forms and Information 2019 for Saturday 14th September 2019

It's time to plan the annual Ride and Stride event once again and this year's event takes place on **Saturday 14th September 2019**. We thank you immensely for your involvement in earlier years and for being your churches Ride and Stride contact. This event will, as usual, be a wonderful opportunity for everyone to share. It allows much needed funds to be raised to keep our church heritage in good repair into the future. The sponsored money raised is divided equally between a named church (chosen by the participant) and the County Trust, who are then able to make grants to other needy churches.

We are running awards again this year with £250 being given to the church and £100 to the individual rider or strider generating the most sponsorship and submitting it by 31st October 2019.

To help raise as much sponsorship as possible for your church, why not find a Parish Champion that can ride or walk? They can be sponsored by the congregation as well as locals in the community. Another idea which enables those that are less able to walk or cycle but would still like to be involved is to consider sponsoring individuals to man the church on the day on an hourly basis. You could even hold an event at your church like a craft fair etc to encourage more people to pop in.

You will find all the documents you will need for this year's event included in this pack or on our new website [www.warwickshirechurches.org.uk/im-a-church-parish-coordinator/](http://www.warwickshirechurches.org.uk/im-a-church-parish-coordinator/) along with our suggested routes for your riders and striders. Please do not hesitate to get in touch with us if you have any queries or if you need forms to be sent by post.

### Risk Assessments

Health and safety is of the utmost importance and on the advice of the National Churches Trust we have put on our website [www.warwickshirechurches.org.uk/i-want-to-ride-or-stride/](http://www.warwickshirechurches.org.uk/i-want-to-ride-or-stride/) a risk assessment that you and your participants must read before starting the event. If you have any questions in relation to the risk assessments then please contact me.
