

Rider and Strider Forms and Information 2019 for Saturday 14th September 2019

Thank you very much for taking part in our 'Ride and Stride' event. This annual event offers a wonderful opportunity for us to work in partnership to raise much-needed funds to help keep our church heritage in good repair for future generations. The money you collect from your sponsors is divided equally between the church nominated by yourself and the County Trust, who are then able to make grants to needy churches.

On our website www.warwickshirechurches.org.uk you will also find a number of Local Rides with routes covering different parts of the county, risk assessment information and downloadable copies of stickers. All churches within the County can be visited and counted, whether open or not.

This pack provides all you need to get started:

- What you need to do now
- Registration form
- Sponsorship form
- How to set up a Just Giving page
- Churches or chapels visited form
- Safety information (must be read by all participants)

Dear Rider and Strider,

What you need to do now to join our Ride and Stride Event:

1. Fill in the Registration form on this document and keep it with your Sponsorship Form until you are ready to send both to our Treasurer, Angela Everitt (see details below) after the event.
2. To help your supporters decide how much to give, let them have an idea of the number of churches you expect to visit.
3. Download and read the Risk Assessment form on our website before you take part in the event www.warwickshirechurches.org.uk
4. Use our poster downloadable on our website www.warwickshirechurches.org.uk to advertise the Ride and Stride event in your local church.
5. On the day, if churches are open, please fill in the attendance sheet at the church (where available).
6. On your return, please send your completed Registration form and Sponsorship Form, together with all of your sponsorship money, before 31 October 2019 to:
Angela Everitt (Hon Treasurer WCHCT), c/o Church of St Charles Borromeo, Hampton Road,
Hampton-on-the-Hill, Warwickshire, CV35 8QR Email: angelaeveritt77@btinternet.com

It is very important that you send the Sponsorship Form and Registration Form back so that we know which church you have ridden for and can keep in touch with you for next year. We also need these details so that we can award prizes for the church and individual who have generated the most sponsorship.

Half of the sponsorship that you send will then be returned to your nominated church by WCHCT before the end of December 2019.

Please let us know if there are any special events happening at your local church for Ride & Stride so that we can let everyone know. Please send an email to: admin@warwickshirechurches.org.uk
Good luck with the event and we hope you have a lovely day with the weather being fit for a churchyard picnic along the way.

Best wishes

PS: We would be very grateful if you could send any photos or stories from the day for our website and newsletter to admin@warwickshirechurches.org.uk

Many thanks.

How many Warwickshire churches can you visit between 10am and 6pm? Cycle, walk, horse-ride, run or jog to raise money for your local church.

Does your church have the will but not the way? ...If you would like to take part and have willing sponsors but no one to walk or cycle for your church then let us help you.

JustGiving™

We are very happy to receive your sponsorship as described on previous page, but to make collecting your sponsorship easier, why not set up your own **'JustGiving' page**? In a few simple steps, your online page will be ready to share by email and social media. By choosing this method you will be saving the Trust lots of time in gathering and processing all sponsorship monies.

Here's our WCHCT guide on how to set up your JustGiving page:

1. Go to www.justgiving.com
2. EITHER: **Log into your JustGiving account** via Facebook or by entering your email
OR: if you haven't set up an account yet, you'll be given the chance to create one after you've entered your email.
3. Once you have an account, search for **Warwickshire and Coventry Historic Churches Trust (WCHCT)**.
4. **Select the way you are going to raise money.** There are four choices – you are taking part in an organised event.
5. You will need to **create your organised event.** Search for Ride and Stride and it will give you an option to create your own event. Name it Ride & Stride 2019.
6. **Finalise your selection** by confirming if you are doing the event in memory of someone, if the charity is contributing to the cost of your fundraising and if you'd like to stay up to date with all your charity's and JustGiving's news.
7. **Choose your JustGiving web address.**
8. Click: **Create your page**
9. **Enjoy your ride safely**

Job done! Your page is set up and ready to accept donations. Now you can start on the fun stuff personalising your page and sharing it with your contacts.

The Trust is a non-denominational, entirely independent, registered charity. Since it was established in 1978 it has made grants available to more than 100 local churches of every denomination for restoration and repairs. Please read this very important Safety Information before you Ride and Stride

Please also read the Risk Assessment information on our website, before you take part in our event.

- Police advise all cyclists to ride in single file, not in large groups, and to wear an article of clothing which is reflective, fluorescent or of a very bright colour (e.g. Yellow or Orange).
- Study the bicycling section of the Highway Code and ensure your bicycle is roadworthy.
- You must read and follow the Risk Assessment document on our website. The Trustees of the county Historic Churches Trust can accept no liability for death or injury sustained or caused by any participant in the Sponsored Bicycle Ride/Stride, save to the extent required by law.
- The wearing of safety helmets is advised by the Health Authorities.
- On the Local Rides leaflets we have tried to identify junctions and hazards that require particular care to be taken. There may be others so care must be taken at all times.
- Ride in single file and do not race.
- Walk wherever cycling is difficult or dangerous.
- NB: Anyone intending to use motorised vehicles will need to check with their own insurers that they have adequate cover, as this form of transport is not a part of the event.
