

The East Arden Local Ride

A suggested 30-mile tour of churches in the Warwickshire countryside to the north-west of Warwick, for those taking part in the annual sponsored cycle ride organised by the Warwickshire and Coventry Historic Churches Trust.

The money you collect from your sponsors is divided equally between the church nominated by yourself and the County Trust, who are then able to make grants to needy churches. Where we can recover Gift Aid, we will retain the full amount of this, enabling us to increase our grant giving further. This is a national event.

This suggested 30-mile circular ride takes in the eight churches in **Warwick** and others in **Hampton-on-the-Hill, Norton Lindsey, Wolverton, Langley, Claverdon, Lawsonford, Lapworth, Packwood, Baddesley Clinton, Haseley** and **Hatton**. If you begin at St Mary's in Warwick, we suggest you first take in the Baptist and Unitarian chapels, and the Friends Meeting House in High Street, the chapel of St James, over the West Gate, the Catholic church of St Mary in West Street and then St Paul's in Friary Street.

The recommended route, shown on the map below, avoids 'A' roads, except for a stretch out of Warwick on A4189 where first a cycleway and then a footway can be used. If you take in the church at Hatton, there is a footway along A4177 as an alternative to cycling on the road. Some sections (dotted on the map) are 'off-road' but generally on firm surfaces. But you may need to look carefully for the bridle way which crosses M40 just before Lapworth! For those wishing to shorten the route, the Pinley Green/Shrewley road provides a convenient link to Hatton.

As well as this map, you are strongly advised to bring with you copies of the relevant 1:50,000 OS maps (Landranger 139, 151), especially to help you navigate some of the tiny lanes.

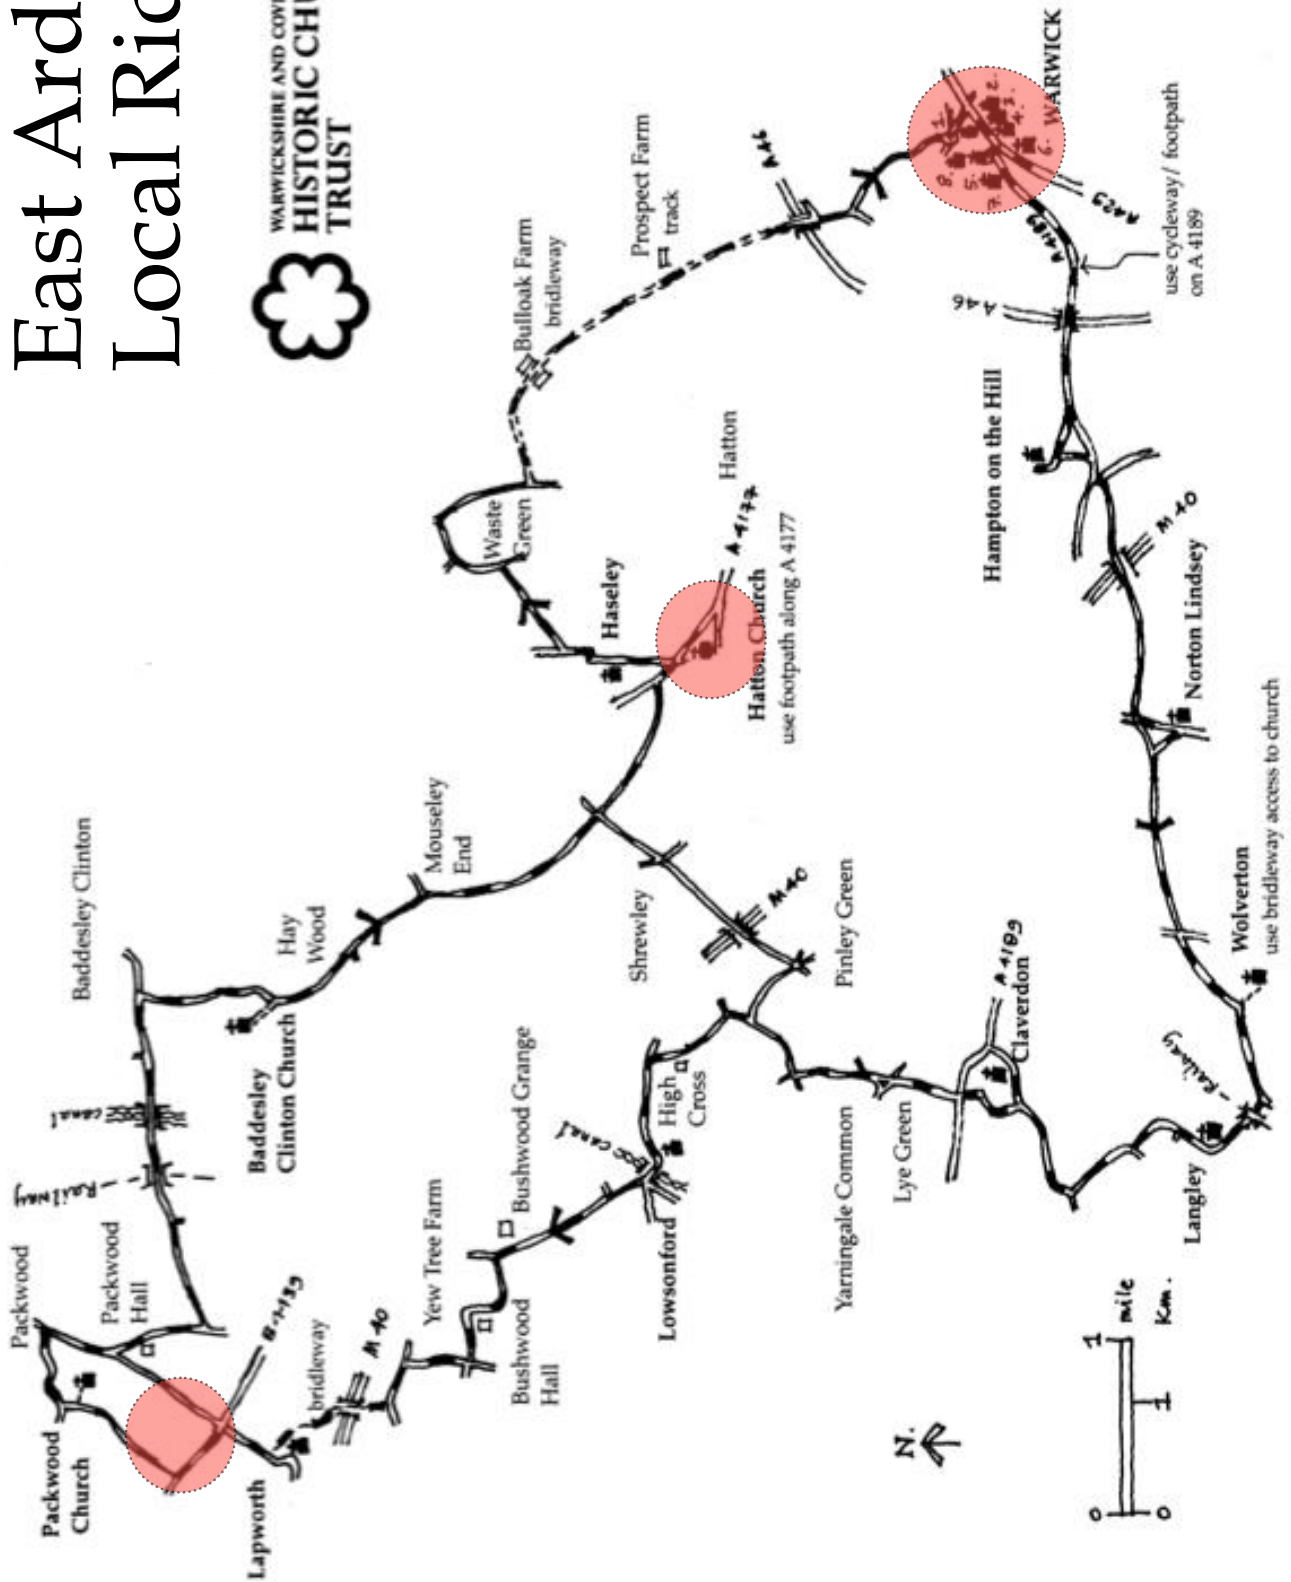

Pubs serving refreshments will be found at some of the villages along the route.

Safety is vitally important on the Ride. This year we have included a Risk Assessment on the website, and we would ask you to read carefully this document and the text of the blue Sponsorship form before you set out and to follow the advice given. This is of particular importance if you are travelling in a group or have younger children in your party. Whilst the suggested route follows minor roads where possible, we have marked main road crossings on the attached map and particular care should be taken there.

The majority of the churches on this route are usually open for the Ride & Stride event. However, a list of open churches will be available on our website www.warwickshirechurches.org.uk, where you will also find the necessary Sponsorship Forms and other information about the Ride.

Warwick, Westgate, Chapel of St James: Dating from the fifteenth century, this chapel, perched over the West Gate, now forms part of the Lord Leycester Hospital
