

Church and Parish Organiser **Forms and Information 2023** for Saturday 9th September 2023

Ride and Stride allows much needed funds to be raised to keep our church heritage in good repair into the future. The sponsored money raised is divided equally between a named church (chosen by the participant) and the County Trust, who are then able to make grants to other needy churches.

We are running awards again this year with £250 being given to the church and £100 to the individual rider or strider generating the most sponsorship and submitting it by 31st October 2023.

To help raise as much sponsorship as possible for your church, why not find a Parish Champion that can ride or walk? They can be sponsored by the congregation as well as locals in the community.

You will find all the documents you will need for this year's event on our website www.warwickshirechurches.org.uk/im-a-church-parish-coordinator/ along with our suggested routes for your riders and striders. Please do not hesitate to get in touch with us if you have any queries.

Risk Assessments

Health and safety is of the upmost importance and on the advice of the National Churches Trust we have put on our website www.warwickshirechurches.org.uk/i-want-to-ride-or-stride/ a risk assessment that you and your participants must read before starting the event. If you have any questions in relation to the risk assessments then please contact our coordinator at admin@warwickshirechurches.org.uk
